

This website remains online for file access and processing membership applications and renewals during a transition period into 2015

New members should register a [User Account](#) , login and then select Membership > [Join Online](#)

Existing members should login and then select Membership > [Renew Online](#) . When logged in you will also have access to members area files and access to the Forum.

The Trail Riders Fellowship was established in 1970, since when the organisation has been heavily involved in preserving access to, and helping to maintain standards of, public rights of way throughout England and Wales. Your support helps us to keep hundreds of miles of historic routes open for use by many thousands of responsible countryside users.
